

JRHT JOSEPH
ROWNTREE
HOUSING TRUST

New Lodge, a Registered Care Home, located within the vibrant garden community of New Earswick, provides safe and compassionate residential care in stylish and modern surroundings.

The aim for residents, is to lead as a fulfilling and independent life as possible and to be fully supported by the dedicated care team.

Welcome home

From general care to more complex needs, the aim is to ensure that residents and their families feel welcomed, happy and 'at home' from the moment they arrive. In short, residents are encouraged to lead as fulfilling and independent a life as possible and to be fully supported by the dedicated care team.

Safe and supportive

The recently built care home of New Lodge offers 45 individual care suites, each with en-suite facilities, lift access and fitted with an Emergency Call System, providing residents with immediate access to the care team. Situated within secure and private gardens, residents can spend time relaxing outdoors.

New Lodge is currently following strict Government guidance on the control of COVID-19 and all care staff have access to full PPE. All care staff and residents (new and existing) are regularly tested for the virus and 2-metre social distancing is currently being adhered to.

To control the virus, New Lodge is currently closed to visits from family members, friends and volunteers, but this will be regularly reviewed in line with expert guidance. The

“All the family wish to express their sincere gratitude for your care of our mum for the past 4 years. You all provided excellent care, but far more – friendship, laughter and countless acts of kindness.”

Family member of resident living in New Lodge

home is in close contact with families and friends to ensure that communication between residents and their families are maintained throughout the pandemic, with initiatives such as 'Connection Cafes', which allow residents to see their loved ones at social distance and by setting up regular video calls and encouraging families to send 'care packages'.

Independence, Choice and Wellbeing

The care services, events and activities are all tailored to meet the individual needs of residents, helping them to enjoy the best possible quality of life. An experienced and empathetic team of registered care practitioners and support staff are all equipped to provide 24-hour high-quality residential care.

The Home and Facilities

The residential care home is located within Rowntree Lodge, which is located within the wider development of New Lodge. The care suites are located in a two-storey building with views over the landscaped gardens.

Beautifully designed and decorated throughout, it is a Stirling Standards dementia-friendly building. The communal areas have been individually designed making it feel homely and welcoming. Residents have access to all communal areas which includes the garden room, choice of dining rooms and lounges, social seating areas as well as the private and landscaped gardens.

Weekly Activities and Outings

Residents are encouraged to maintain their hobbies and to try new ones, with a varied programme of events and activities organised by Activity Co-ordinator, Baz Larner and his team of volunteers.

Baz Larner, activities coordinator says of his role:

‘There’s always something going on and plenty for the residents to enjoy from crafting to quizzing and lots of days out’.

Location

New Lodge is conveniently located in the Edwardian garden village of New Earswick, on the outskirts of York. It is next door to the Folk Hall, which is the social hub of the village. This makes it ideally positioned to enjoy village life and still within easy reach of York’s historic city centre

Request an information pack

To request an information pack, contact the reception at New Lodge on 01904 296 960 who will be happy to give information on vacancies and costs.
